ABOUT THE CLINICIAN

Jake Engler, CJF

Jake grew up shoeing horses in the Houston, Texas area with his father Jeff Engler. He has managed a full-time horseshoeing business since 1989, consisting of eventers, hunters, jumpers and dressage horses. In 2001, Jake earned his CJF from the American Farrier's Association and made the American Farriers Team in 2008, 2009 and again in 2014. At the Calgary Stampede in 2008 he earned Rookie of the Year and was a top ten finalist in 2008, 2009 and 2010. In 2010 he won Reserve World Champion at the Calgary Stampede and in 2011 and 2014 he was overall high point at the American Farrier's Association Convention. Jake and his team Cat 6 have proudly won the World Horseshoeing Classic in both 2014 and 2015. Currently Jake is participating in competitions in addition to judging and conducting clinics across the U.S. and internationally.

FEATURED PRODUCTS

Liberty Cu Hybrid Nails

The bevel angle on the trademark face of the nail allows the nail to lock in better in all types of shoes punched for E-Heads, including concave. The slightly larger specifications of the shank immediately under the head will provide additional strength and a better fit in the pritcheling of the shoe. The Copper(Cu) Shield Technology is unique to Kerckhaert and Liberty Cu horseshoe nails.

Liberty Cu Hybrid nails with Copper (Cu) Shield technology is available in sizes 3, 4 and 5.

Diamond® Tracker

One shoe, countless shapes. Saving you time and money. Kerckhaert continues to make innovative changes to the Diamond brand with the new Diamond Tracker horseshoe.

The first shoe in this style that can be easily converted for both front and hind. Features a V-Crease and Sole Relief, and has ideal nail hole position and good heel support.

Punched for City, Slim or Combo blade nails. In sizes 00, 0, 1 and 2.
