

## Farrier Education

As a testimonial to our commitment to farrier education, FPD was pleased to be able to participate as an Educational Partner for the 2010 International Hoof-Care Summit in Cincinnati. On the final day of the summit a drawing was held to have the winner spend a day with a farrier. FPD clinician Dave Farley CF of Coshocton, Ohio will host Tom Martin of Auburn, NY. The AFJ will have a full report of this day in an upcoming issue.

### KERCKHAERT CONCAVE

Kerckhaert has one of the nicest sections of concave available in the market. Put this together with the shapes and punching of Kerckhaert and you have a premium concave shoe. These shoes also boast innovative radius clips found on many of the other series in the Kerckhaert line.

- Front Toe Clipped Sizes:  
20x10 (3/8" x 3/4"): 00, 0 & 1  
22x10 (3/8" x 7/8"): 1, 2 & 3

## CENTURY ALUMINUM SUPPORT DEGREE

To complement the Century Aluminum Support Unclipped series, Kerckhaert has produced the Century Aluminum Support Degree. With this new shoe, farriers will find the wedge platform with many of the features of the unclipped series, including:

- Narrower overall shape than Triumph series
- Excellent heel support
- No bevel or roll in toe
- Evenly spaced nail holes. Punched for 5 Race or 5 Slim
- Slightly thicker to provide more wear and support
- Unique surface finish to help distinguish from Triumph series
- Sizes: 000, 00, 0, & 1 – Front only

## KERCKHAERT 5/8" HALF ROUND

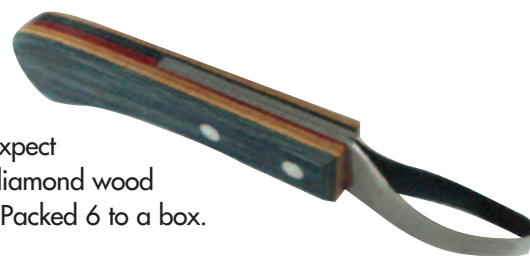

The Standardbred has long relied on the half round style to train and race. The Kerckhaert design gives a better heel support and a more realistic nail pattern to help with the performance of the horse. The excellent shape of the shoes minimizes the amount of work needed to get a good fit. High quality steel provides excellent wear and support for the foot. The 5/8" Half Round will complement Kerckhaert's 9/16" Half Round.

- One shape
- Unclipped
- Sizes 2, 3 & 4
- Punched for 4-1/2 Race or 5 Race nails

## New Products from Bloom Forge

**Loop Knife** - Roy Bloom is recognized throughout the industry for attention to detail. His new Loop Knife has many of the features that farriers have come to expect from Bloom Forge, including knife-grade, hardened carbon steel with a unique diamond wood handle. The 2-1/4" blade is double-edged – can be used right or left handed. Packed 6 to a box.

**Draft Creaser** - Bloom Forge is pleased to announce the availability of a draft horse size wood handle creaser.
